**On behalf of all our team,
we hope you have a wonderful day.**

A DAY AT THE RACES

A Day at the races can be terrific fun especially

At Ayr - Scotland's Number One

Top Trainers Jockeys and Equine Stars

With Great Food, Restaurants and Bars

We want you to enjoy your day and have a drink or two

But one at a time cos doubles we don't do

We'll happily refill your empty glasses

Just ask one of our lads or lasses

But we can't serve you if you have had more than a few

Cos our liquor licence is important to both me and you
